## Rules & Application

**Check In:** All registered boats must check in properly even if they do not want to weigh fish! This can be done visually at the weigh-in, by radio on Channel 12, or by telephoning the Frripp Island Marina at 843-838-1517. Make sure your boat name is properly repeated. Any boat not properly checked in will be disqualified and must assume responsibilities for expenses incurred if a search is begun.

**Fishing:** You may fish one day. Fish must be caught within the tournament hours using rod and reel with a maximum of six lines in the water at any one time. No fixed lines or electric reels may be used to land fish. Downriggers are to be used as line carriers only. Planers are allowed.

**Weigh-In:** All boats wishing to weigh in fish must arrive at Frripp Island Marina by water & must be seen around the last curve to the marina by the Weigh-master or his representative before 5:00pm or be disqualified. Fish to be weighed in must be taken to the weigh station by a member of the boat's crew. Once a fish is weighed in, the boat cannot go back out that day. Fish shall not be mutilated in any way other than hook and gaff marks. If there is a tie, the winner will be determined by the earliest weigh-in time. All fish must be weighed in to be eligible for prize money. The decision of the Rules Committee is final. Any protest must be submitted to the Rules Committee in writing before 5:00pm on the day of the tournament or by the conclusion of the fish weigh-in. Cost per protest is \$100.00, which is refundable if the protest proves valid.

**Tournament Rules:** All boats must have a properly working V.H.F. Radio with Channel 12, the tournament frequency.

**Check-out-Honor System:** Boats can depart at any time after 12:00am on fish day. Captains are on the honor system to ensure that lines are not in the water earlier than 6:00am.

**Weather:** The decision to fish is solely up to the Captain. However, a Small Craft Advisory from the Savannah Weather Station in effect at 6:00am postpones the tournament until the next day. \*If fishing is canceled Friday, Saturday will be the only fishing day and the awards ceremony will follow. If both days are a washout, entry fees will be refunded.\*
